

# 12th Grade Planning - ENLIST

- Meet with recruiters from each military branch to explore all options. *Your College & Career Counselor can connect you!*
- Verify the ASVAB score you need to enter the job you are most interested in.
- Verify that the branch you are most interested in has the career path you want to pursue.
- Prepare for the ASVAB! Your high school will have opportunities to test during the school day. *Be sure you study!*
- After taking the ASVAB, participate in a Score Interpretation session to learn more about the ASVAB and additional career planning resources.
- Be sure you will clear medical guidelines for enlistment and prepare for your combat fitness test!
- Report your enlistment to your College & Career Counselor
- Work with your School Counselor to ensure you are on track to graduate
