9. GSA SF 330 – provide a completed copy of Standard Form 330 “Architect-Engineer and Related Services Questionnaire”. ([requirement](#))

Further clarification:

For “Joint Ventures” or Firms aligning themselves or partnering on this project, you may submit separate forms for your discipline as long as you indicate who the Prime or Lead will be on the Project.

Architectural/Engineering Firms submit SF 330

And

Construction Management/General Contractors submit AIA document A305
