

PROJECT FACT SHEET

Continuing Service Contract for Geotechnical Engineering
And Materials Testing Services for the School District of Osceola County

RFQ #SDOC-06-106-FPC

DESCRIPTION OF SERVICE: Represent the School District as their consultant in geotechnical engineering and materials testing matters. Anticipated services could include but are not limited to the following:

1. Design services for selected construction projects, which pertain to the Geotechnical portion of the project. (i.e. If soil borings indicate design changes are needed, Geotechnical Firm(s) will give recommendations for possible corrections).
2. Review and comment on educational specifications, design submittals, and construction documents prepared by other consultants.
3. Review, inspect, and report on specific areas of construction as requested.
4. Provide support with school site analysis, educational specification preparation, construction project budgeting, etc. (i.e. If changes are needed to the original design, the Geotechnical Firm(s) shall provide cost comparisons for the various recommendations they offered on how to correct the situation).
5. To investigate, identify, analyze, and make recommendations with costs for specific school facility problems or needs assigned on a project-by-project basis.
6. Provide technical support by the use of other consultants when specialized areas of expertise are needed.
7. Provide technical support in architectural matters to Facilities Planning and Construction and Maintenance Departments.

“Please Submit five (5) copies of your proposal in an 8 ½” x 11” edge bound format, (covers may be slightly larger) tabbed to correspond with the listed headings, along with two (2) Electronic copies of your proposal saved in Adobe Acrobat PDF format to a Disk or CD (One disk/CD will be archived in the file, the other disk/CD will be available to Committee Members wishing to view the information via computers using the Electronic format. It is important that the proposals, whether in hard copy or electronic format be identical.) Contents shall be in general conformance with required criteria utilizing your firms phrasing to complete the requested listing. Failure to submit the information in the format requested may result in your proposal being deemed non-responsive. A non-responsive proposal shall not receive further consideration.”

1. Standard Form 330

Completed copy of the new U.S. Government Architect-Engineer Standard Form 330.

2. Certificates, Registrations, and Insurances

A copy of the firm's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered and insured at the time of its application to practice their profession in the State of Florida. If the applicant is a corporation, it must be properly chartered with the Florida Department of State to operate in Florida and provide a reproduction of its Corporate Charter Registration with the Department of State to operate in Florida. Firms need a minimum of \$1,000,000 professional liability insurance.

3. SELECTION CRITERIA:

Provide sufficient information to describe each Selection Criteria and include that information in the Selection Criteria section of the required binders. Firms will be evaluated in the following areas:

Current Workload: (15 Points) List each project and fee amount currently under contract including contracts as consultant to another firm. Describe how you will meet your current contract obligations and our continuing service contract if selected.

Past Performance: (30 Points) Applicants shall list all projects for which a contract was signed for professional services in the past two years. Provide the project name, the Owner, and the name and telephone number of the Owner's Representative.

Experience with Similar Work: (25 Points) List projects of comparable type, size and complexity, which were accomplished by the Applicant as identified in the Project Description. List Owner's in which the Applicant has provided similar annual continuing service where many small projects constitute the majority of annual work. List experience as being the lead consultant and having other consultants performing work under applicant contract.

Location: (5 Points) Due to the nature of continuing service contracts being small and fast response projects, the Applicant's physical distance to the School District will have bearing on the selection. Location relates to response, reviews, coordination, and communication.

Ability to Provide Service: (25 Points) Applicants ability to provide service includes available staff to support the Owner's needs in a timely manner. Applicants cost estimating capabilities and methods used to control cost during design and construction of a project. Applications method used in project administration to insure Owner's goals and objectives are obtained in design and construction.

4. Any other additional information that may be beneficial for consideration in the selection process. Representative samples of related work may be submitted at the applicant's option. Applications that do not comply with the above instructions including Selection Criteria will not be considered. All information received will be maintained with the project file and cannot be returned.

The District may opt to conduct interviews with selected Firms, should it be required or warranted. Discussions and/or interviews will be held between the Selection Committee and the firms selected based upon data submitted by each firm.

Firms will be notified in writing as to whether or not they have been selected for this contract.

All prospective professionals are hereby cautioned not to contact any Board Member of The School District of Osceola County after submittals are received nor to attempt to persuade or promote through other channels. After submittals are received all contacts must be channeled through the Facilities Planning and Construction Department. Failure to comply with these procedures shall be cause for disqualification of firm's expression of interest.

Questions and additional information requests should be directed in writing to:

Lisa Kesecker, CPPB – Purchasing Specialist
Facilities Planning & Construction Services
Email: keseckel@osceola.k12.fl.us or Fax # 407-870-4618

Submittals must be received by the Purchasing Department at 817 Bill Beck Boulevard, Building 2000, Kissimmee, Florida 34744, Attn: Lisa Kesecker – Purchasing Specialist before 2:00 PM on Thursday, July 27, 2006.
