**QUESTION:** 2. Does the District want the provider's network to be wholly owned or will we, the District, allow the use of networks that are shared or leased from other providers?

**ANSWER:**

The District will allow the use of networks that are shared or leased from other providers assuming the awarded provider is guaranteeing services provided by those shared or leased providers.

**QUESTION:** 3. Does the District want the network connections to be connected via rings or spurs?

**ANSWER:**

The network connections may be either ring or spur.

**QUESTION:** 4. Does the District want active or passive components out to the individual schools?

**ANSWER:**

The District wants passive components out to the individual schools.

**QUESTION:** 5. Does the District want managed or unmanaged components out to the individual schools?

**ANSWER:**

The District wants managed components out to the individual schools.

**QUESTION:** 6. Would the Osceola County School District consider alternate sites for core redundancy versus the three core sites currently listed (Harmony High School, District Administration and Poinciana High School)?

**ANSWER:**

Alternate sites will be considered provided they afford maximum survivability during a disaster.
