

**The Purchase of Wide Area Network Installation and Service  
RFP #SDOC-07-036-CB**

**Evaluation Notes**

11-14-06: The Evaluation Team\* met, reviewed and discussed the three (3) written responses\*\*. Their recommendation to me was to schedule oral presentations with the three (3) Proposers.

11-16-06: Invitations were sent out for Oral Presentations:

Bright House Networks	9:00 AM
Embarq	10:00 AM
Sunesys	11:00 AM

These were the only respondents.

11-28-06: The Evaluation Team met for further discussions. It was determined that Bright House Networks is the most responsive proposer based on price management of service, timeline and references. It was determined to enter into further discussion with Bright House Networks regarding their proposal.

11-30-06: The Evaluation Team met with the Bright House Networks Team for further discussion of their proposal and entered into price negotiation.

12-11-06: The Evaluation Team met with to go over points of the Bright House Proposal the contract and SLA that was submitted.

12-12-06: The Evaluation Team met with Sam Henderson to discuss the Bright House Networks contract and SLA. It was determined that the best interest of the District would best be served by total re-write incorporating the RFP, RFP Addendum's 1 & 2, Bright House Networks RFP response and portions of their contract with SLA. Bright House was asked for clarification of certain points.

12-15-06: Response received from Bright House Networks. The Evaluation Committee canvassed for authority to enter into seventy-two (72) hour posting period in accordance with Florida Statute and Board Rule. Authority was granted and posting will begin today. Letter of Intent to Award pending Board approval will also be accomplished today.
