September 2, 2008

## STORAGE TRAILERS AND GROUND BOXES

Bid # SDOC-09-B-014-LK

## Addendum #1

This addendum is issued to add several items to the price sheet and to add a Price Redetermination Clause for Fuel.

## PRICE REDETERMINATION - FUEL

The bidder may petition the Director of Purchasing and Warehouse for price redetermination if/when the price of fuel increases by a minimum of ten (10%) percent. Any price redetermination will be solely based upon changes as documented by the Producer Price Index (PPI) for the commodity "Gasoline - WPU0571" or "#2 diesel fuel - WPU057303" as published by the Bureau of Labor Statistics, which can be found on-line at http://stats.bls.gov. The base index number for this bid will be <u>432.5</u> as listed for July 2008. Subtracting the base index number from the current index number and dividing the result by the base index number calculates the maximum percentage increase allowed. Any price redetermination will include all items awarded. If the School Board and the bidder cannot agree on any price redetermination, then the contract will expire. Bidders shall provide documentation to illustrate what percentage of the price is related to fuel, as the increase shall be calculated based upon the percentage of the cost associated to the cost of fuel (see example below). Failure to provide the detailed cost analysis with each request for a price redetermination due to fuel price escalation shall preclude any price redetermination due to fuel price escalation shall preclude any price redetermination due to fuel price scalation shall preclude any price redetermination due to fuel price scalation shall preclude any price redetermination due to fuel price scalation shall preclude any price redetermination due to fuel costs.

Example:

Fourteen (14%) percent of the cost to provide product/service is attributed to the cost of fuel.

\$300.00

-\$281.40

\$18.60

- PPI in the month the solicitation closed was \$281.40
- Current PPI is \$300.00
- \$18.60 divided by \$281.40 = .066%
- > The unit cost of the product/service is \$100.00
- ➤ 14% of \$100.00 = \$14.00
- ➤ \$14.00 x .066% = \$ 0.92
- New unit price for the product/service is \$100.92

If the School Board grants an increase in the contract price based upon increases in gasoline and/or diesel prices, then the Board may also adjust the contract price downward if the cost of gasoline and/or diesel decreases by ten percent (10%) or more from the date of the last increase in the contract price.

This clause may be used in addition to any other price redetermination clause in this invitation.

If the School Board and the bidder cannot agree on any price redetermination, then the contract will expire without prejudice thirty (30) days after the impasse is reached.

All interested firms are asked to use the attached Revised Price Sheet when submitting your bid.

If you have any questions regarding this Addendum, please feel free to contact Lisa Kesecker, CPPB, FCPA – Purchasing Specialist by phone at (407) 870-4622 or by email at <u>keseckel@osceola.k12.fl.us</u>.

It is the Vendors responsibility to check the School District's website prior to submitting their bid response at <u>www.osceola.k12.fl.us/depts/purchasing/pages/currentbids.com</u> to see if any additional Addenda are posted.

Please sign and return this addendum indicating that you have read and understand the information listed herein.
