### Addendum # 2

This addendum is being issued to clarify and or answer any questions regarding the subject Bid.

#### Question:

I have a question from reviewing the specs on the new bid solicitation. For the Performance Laptop the following requirement is listed: referring to Paragraph 3.2, Performance Laptop Specifications on page 14 of 32.

*“Video: Intel® GMA x3100 Graphics w/Intel 965GM Chipset (Up to 384MB Shared Memory) and External NVidia 256mb video card or equivalent”*

With a notebook you have either integrated graphics or discrete (the NVidia card) but not both. What is the spec here, integrated or discrete?

#### Answer:

The District is requesting that the “Discrete” card be provided. Please note that Paragraph 3.2 on page 14 of 32, “Performance Laptop Specifications”, has been changed to read:

*“Video: External NVidia 256mb video card or equivalent”* will consider the new model as a suitable replacement.

NOTE: There are no other changes.

The Bid opening date and time, September 16, 2008 at 2:00 p.m. and location will remain the same as stated in the original bid documents.
