Bid # SDOC 09-B-057 KR

Track Surfacing Services

Addendum # 1

The original Invitation To Bid (ITB) documents shall remain in full force and effect, except as modified herein, and shall take precedence over any contrary provisions in the prior documents. The Bid opening date and time, January 6, 2008 at 2:00 p.m. and location will remain the same as stated in the original bid documents. If you have any questions regarding this Addendum please feel free to contact Kristy L. Rumping, Buyer 1 by email at rumpingk@osceola.k12.fl.us or by phone at (407) 870-4611.

This addendum is being issued to address questions received at the pre-bid meeting, release the revised bid submittal form, and to make further clarifications the ITB document.

Question: Do only the high schools have tracks?

Answer: No, but they are the only sites that are getting rubberized surfacing.

Question: How many high schools are currently have in the District, do they all have rubberized tracks, if so what type of surfacing is currently on them?

Answer: We currently have seven (7) high schools and to the best of the Purchasing Departments knowledge with the following surfacing:

- Celebration High School- Currently Just Asphalt
- Gateway High School- Latex, repair and reconditioned in Sept. 2007
- Harmony High School- Latex, repair and reconditioned in Dec. 2005
- Liberty High School- Latex, repair and reconditioned in Jan. 2008
- Osceola High School- Latex, repair and reconditioned June 2004
- Poinciana High School- Latex, repair and reconditioned in Jan. 2008
- Saint Cloud High School- Latex, last repair and reconditioning unknown

Question: How many schools in the District are currently requiring repair or resurfacing?

Answer: There are three (3) schools that currently require repair or resurfacing. Liberty High School and Celebration High School need resurfacing. Gateway High School needs repairs.

Question: Is the District requiring that the successful bidder must be a Certified Track Builder (CTB)?

Answer: No, the requirements of the awarded vendor will remain the same as outlined on page 10 of the Invitation To Bid document under section 2.11 Definition of Responsive and Responsible for this bid.

An Equal Opportunity Agency

Question: Is the District going to standardize on either Latex or Polyurethane?

Answer: At this time the District has not discussed standardizing on Track Surfacing, which is why the District would like to request pricing for both types of track surfacing.

The following are further clarifications to the Invitation To Bid document:

All track repairs, reconditioning and surfacing shall come with a standard one (1) year warranty. The bidder must specify on the bid submittal form if they are proposing a different warranty.

The bid submittal form (price sheet) has been revised to show a separate line item for asphalt repairs, the removal of existing surfacing and to group the different types of surfacing together. All interested firms are asked to use the Revised Bid Submittal Form when submitting your bid.

Acknowledgment of Addendum #1 by Vendor:

This addendum shall be completed by the Vendor and returned with the bid response. If a bid has already been submitted, this addendum must be submitted to the above address in a sealed envelope, which is marked on the outside: Addendum to Bid, Bid title and number.

This is to acknowledge receipt of this addendum, which will become part of the Bid document.
