2.24 PRICE REDETERMINATION – FUEL

The bidder may petition the Director of Purchasing and Warehouse for a price redetermination of the fixed markup if/when the price of fuel increases by a minimum of ten (10%) percent, ninety (90) days prior to the contract yearly anniversary date. Any price redetermination will be solely based upon changes as documented by the Producer Price Index (PPI) for the commodity "Gasoline - WPU0571" or "#2 diesel fuel - WPU057303" as published by the Bureau of Labor Statistics, which can be found on-line at <http://stats.bls.gov>. The base index number will be the month of November 2008. Subtracting the base index number from the current index number and dividing the result by the base index number calculates the maximum percentage increase allowed. Any price redetermination will include all items awarded. If the School Board and the bidder cannot agree on any price redetermination, then the contract will expire. Bidders shall provide documentation to illustrate what percentage of the price is related to fuel, as the increase shall be calculated based upon the percentage of the cost associated to the cost of fuel (see example below). Failure to provide the detailed cost analysis with each request for a price redetermination due to fuel price escalation shall preclude any price redetermination due to fuel costs.

Example:

- Fourteen (14%) percent of the cost to provide product/service is attributed to the cost of fuel.
 - PPI in the month the solicitation closed was \$158.73
 - Current PPI is \$264.52
- | |
|----------------|
| 264.52 |
| <u>-158.73</u> |
| 105.79 |
- \$105.79 divided by \$158.73 = .666%
 - The unit cost of the service is \$100.00

- 14% of \$100.00 = \$14.00
- \$14.00 x .666 = \$9.32
- New unit price for the product/service is \$109.32

If the School Board grants an increase in the contract price based upon increases in gasoline and/or diesel prices, then the Board may also adjust the contract price downward if the cost of gasoline and/or diesel decreases by ten percent (10%) or more from the date of the last increase in the contract price.

This clause may be used in addition to any other price redetermination clause in this invitation.

If the School Board and the bidder cannot agree on any price redetermination, then the contract will expire without prejudice thirty (30) days after the impasse is reached.

2.25 WARRANTY

The manufacturer's standard warranty shall apply from the date of the acceptance by the School Board or Cooperative Agency.

2.32 RIGHT TO REQUIRE PERFORMANCE

- B. In the event of failure of the bidder to deliver services in accordance with the contract terms and conditions, the School Board, after due written notice, may procure the services from other sources and hold the bidder responsible for any resulting additional purchase and administrative costs. With respect to a protest of the specifications contained in a solicitation, the notice of protest shall be filed in writing within 72 hours after the electronic posting of the solicitation, and the formal written protest shall be filed within ten (10) days after the date the notice of protest is filed. All formal written protests must be filed with a bond payable to the School District equal to 1% of the estimated contract amount (Florida Statute 287.042(2)(c)). Failure to file a notice of protest or failure to file a formal written protest and bond shall constitute a waiver of proceedings under Chapter 120, Florida Statutes. The School Board may, in its discretion, waive any procedural irregularity or defect in procedures so long as any opposing party is not materially prejudiced by such waiver. Saturdays, Sundays, and state holidays shall be excluded in the computation of the 72-hour time periods provided by this paragraph. The notice of protest and formal written protest shall be filed in the Purchasing Department between the hours of 8:00 a.m. and 4:30 p.m. upon any day the office is open for business.

The provisions specified herein constitute the exclusive remedy for any adversely affected party with respect to a bid protest. The formal written protest shall state with particularity the facts and law upon which the protest is based.

- D. Upon receipt of the formal written protest which has been timely filed, the Purchasing Director shall stop the bid solicitation process or the contract award process until the subject of the protest is resolved by final agency action, unless the School Board, by duly enacted resolution sets forth in writing the particular facts and circumstances which require the continuance of the bid solicitation process or the contract award process without delay in order to avoid an immediate and serious danger to the public health, safety or welfare.

The School Board finds that a substantial interest in the public welfare is the timely award of contracts when required as a condition of receiving grants or funds from outside sources which will be in addition to the regular school budget.

- E. The Purchasing Director shall schedule a meeting to provide an opportunity to resolve the protest by mutual agreement between the parties within seven (7) days, excluding Saturdays, Sundays, and state holidays, after receipt of a formal written protest and bond.
- F. If the Purchasing Director cannot resolve the protest by mutual agreement within the seven (7) day period referred to in Paragraph E in this Section, the School Board shall conduct an informal administrative hearing, under Section 120.57(2), Florida Statutes, acting as the agency head, where there are no disputed issues of material fact. The informal hearing shall be held with notice of no less than 72 hours, excluding Saturdays, Sundays, and legal holidays within thirty (30) days of receipt of the formal written protest and bond, unless the parties, with the consent of the School Board, agree to extend the time for the hearing. The School Board shall have the right to schedule the hearing subject to these provisions.

Respondent:

Address:

This Agreement is entered into as of the date of the last signature set forth below between the School District of Osceola County, a political subdivision of the State of Florida (the "District"), and the above named Respondent (hereinafter the "Respondent"). The School District of Osceola County and the Respondent are collectively referred to as the "Parties" and may be referred to individually as a Party.

RECITALS

WHEREAS, the Respondent possesses certain confidential trade secret materials that it wishes to disclose to the School District of Osceola County for the purpose of responding to a request for proposal or otherwise conducting business with the School District; and

WHEREAS, the School District desires to review such materials in order to evaluate the District's interest in negotiating and concluding an agreement for the purchase of certain products and services, or otherwise conducting business with the Respondent.

NOW THEREFORE, in consideration of the mutual promises and premises contained herein, the receipt and sufficiency of which are hereby acknowledged, the School District and the Respondent agree as follows:

1. Confidential Materials. The Respondent warrants and represents to the School District that the materials described in the attached Exhibit A (the "Confidential Materials") constitute trade secrets as defined by Section 812.081(1)(c), Florida Statutes, or financial statements required by the School District for projects as defined in 119.071(1)(c), Florida Statutes. Subject to the terms and conditions of this Agreement, the School District agrees not to disclose such Confidential Materials to third parties.

2. Additional Materials. During the course of the negotiations or the business relationship with the School District, the Respondent may disclose additional confidential or trade secret information to the District in which case the restrictions and obligations on the use and disclosure of the Confidential Materials imposed by this Agreement shall also apply to such additional information to the extent permitted by Florida law. Any such additional confidential or trade secret information shall be duly marked and stamped “confidential” or “trade secret” prior to delivery to the School District, and shall be subject to this Agreement and Section 812.081(2), Florida Statutes, only if written receipt is provided by the School District acknowledging receipt of such materials.
3. Exclusions. For purposes of this Agreement, the term “Confidential Materials” does not include the following:
- (a) Information already known or independently developed by the School District;
 - (b) Information in the public domain through no wrongful act of the School District;
 - (c) Information received by the School District from a third party who was legally free to disclose it;
 - (d) Information disclosed by the Respondent to a third party without restriction on disclosure;
 - (e) Information disclosed by requirement of law or judicial order, including without limitation Chapter 119 Florida Statutes; or
 - (f) Information that is disclosed with the prior written consent of the Respondent, but only to the extent permitted by such consent.
4. Non Disclosure by Respondent. In the event that the School District discloses confidential or trade secret information to Respondent, the Respondent agrees to not disclose such information to any third party or copy such information or use it for any purpose not explicitly set forth herein without the School District’s prior written consent. Further, upon conclusion of discussions or business transactions between the School District and the Respondent, or at any time upon request of the School District, Respondent agrees to return such information (including any copies) to the School District.
5. Duty of Care. Each Party agrees to treat the other Party’s confidential or trade secret information with the same degree of care, but not less than reasonable care, as the receiving Party normally takes to preserve and protect its own similar confidential information and to inform its employees of the confidential nature of the disclosing Party’s information and of the requirement of nondisclosure. In the event either Party has actual knowledge of a breach of the nondisclosure requirements set forth in this Agreement, the Party acquiring such knowledge shall promptly inform the other Party and assist that Party in curing the disclosure, where possible, and preventing future disclosures.

6. Limitations of Florida Law. Respondent understands and agrees that its assertion that any item is confidential or a trade secret does not, in and of itself, render such material exempt from the Florida Public Records Law, Chapter 119 of the Florida Statutes, and that the School District's ability to prevent disclosure of confidential and trade secret information may be subject to determination by a Florida court that such materials qualify for trade secret protection under Florida law. In the event a third party makes a public records request for the Confidential Materials or other materials deemed by Respondent to be confidential or a trade secret, the School District may submit the materials to the court for inspection in camera as set forth in Section 119.07(1)(e) Florida Statutes. Respondent further understands that the School District may be required to disclose such information if directed by a court of competent jurisdiction.

7. Indemnification by Respondent. In the event of any litigation instituted by a third party to compel the School District to disclose such materials, Respondent shall, at its sole cost and expense, provide assistance to the School District in defending the denial of the records request, and shall hold the School District harmless from any claim for statutory costs and attorneys fees arising from the School District's refusal to disclose such materials.

8. No Additional Obligations. This Agreement shall not be construed in any manner to be an obligation for either Party to enter into any subsequent contract or agreement.

9. Sovereign Immunity. Nothing in this Agreement shall be deemed as a waiver of immunity or limits of liability of the School District beyond any statutory limited waiver of immunity or limits of liability, which has been or which may be adopted by the Florida Legislature, regardless of the nature of any claim which may arise, including but not limited to a claim sounding in tort, equity or contract. In no event shall the School District be liable for any claim or claims for breach of contract, including without limitation the wrongful disclosure of confidential or trade secret information for an amount which exceeds, individually and collectively, the then current statutory limits of liability for tort claims. Nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim against the School District, which would otherwise be barred under the Doctrine of Sovereign Immunity or by operation of law.

10. Notice. Whenever either Party desires to give notice unto the other, it must be given by written notice, sent by registered United States mail, with return receipt requested, addressed to the party for whom it is intended, at the place last specified, and the place for giving of notice in compliance with the provisions of this paragraph. For the present, the Respondent designates the address set forth above as its place for receiving notice, and the School District designates the following address for such notice:

This Agreement shall be governed by the laws of the State of Florida, and venue for any action arising out of or relating to the subject matter of this Agreement shall be exclusively in Osceola County, Florida, or the Federal District Court for the Middle District of Florida, Orlando Division.

12. Respondent and the School District hereby expressly waive any rights either may have to a trial by jury of any civil litigation related to this Agreement for any litigation limited solely to the parties of this Agreement.
