

**BID # SDOC-09-B-068 CJ**

**February 3, 2009**

**ADDENDUM NO.: 1  
(To be attached and become a part of the Bid)**

**ALUMINUM WALKWAY COVERS**

To be opened, February 11, 2009 at **2:00 P.M.**, in the School District of Osceola County, Purchasing Office, 817 Bill Beck Boulevard, Kissimmee, Florida 34744.

Clarification on questions addressed at the Pre-Bid Conference.

**Item #1**

Page 5, Section 1.04, Products #4 A., Remove:  
See each school for matching color.

Change to read:

Clear satin anodized 204-R1

**Item #2**

Page 6, Section 1.05, Products #1, Remove:  
C. Nu-Vent, Inc. Houma, LA  
E. American Aluminum Products  
F. Vulcan Metal Products, Inc.

Add:

Perfection Architectural Orlando, Florida as an acceptable manufacturer.

**Item #3**

Page 6, Section 1.05, Products #3, Second Sentence Reads:  
Design for wind load of 110 mph per ANSI A58.1, 1982 ed., exposure "C" with importance factor of 1.11 = 120 mph and 35 psi live load.

As the District has locations that fall in two different wind load requirements, therefore the District has standardized and requires the most stringent of the two. Change to read:  
Design for wind load of 110 mph per ANSI A58.1, 1982 ed., exposure "C" with importance factor of **1.15** = 120 mph and 35 psi live load **or based on the new 2007 Florida Building Code due out in early spring whichever is the most stringent.**

**Item #4**

Page 7, Section 1.05, Products #4 B., Reads:  
Color to match existing preformed metal roof panels. See each school for matching color.

Change to read:  
Clear satin anodized 204-R1

**Item #5**

Page 7, Section 1.05, Products #4C., Reads:  
Aluminum Association Specification AA-M-10C-22A-21

Should read:  
Aluminum Association Specification AA-M-10C-22A-**31**

**Item #6**

Page 7, Section 1.05, Execution #2 C., Remove the first two sentences.  
Sleeves (Styrofoam bock-outs) shall be furnished by aluminum deck subcontractor and set by the Contractor. Authorized installer shall schedule to erect after all adjacent roofing and masonry have been completed.

Insert:  
Core drilling or saw cutting of existing sidewalks or concrete footings, where required, shall be by the Contractor.

**Item #7**

Page 7, Section 1.08, Delivery Terms, A, reads:  
Delivery and installation is to commence within fifteen (15) calendar days after receipt of purchase order. If unable to meet this delivery, please specify best possible delivery on bid sheet.

Should read:  
Delivery and installation is to commence within thirty (30) calendar days after receipt of purchase order. If unable to meet this delivery, please specify best possible delivery on bid sheet.

**Item #8**

Add to Section 1:

**INSTALLATION**

The successful bidder shall provide Engineered sealed drawings and/or plans for permitting, delivery, installation and approval from an authorized representative (Building Official) of the School District of Osceola County's Building/Permitting Department at no additional cost to the District. Upon the successful completion of the installation of the item, the authorized representative of the School Board shall accept it.

---

Acknowledgement of Addendum by Vendor:

This addendum shall be completed by Vendor and returned with the Bid Package. If the Bid package has already been submitted, this addendum must be submitted to the above address in a sealed envelope, which is marked on the outside Addendum to Bid, Bid title and number.

This is to acknowledge receipt of this addendum, which will become part of the Bid document.
