The original Invitation To Bid (ITB) documents shall remain in full force and effect, except as modified herein, and shall take precedence over any contrary provisions in the prior documents. If you have any questions regarding this Addendum please feel free to contact Kristy L. Rumping, Buyer 1 by email at rumpingk@osceola.k12.fl.us or by phone at (407) 870-4611.

This addendum is issued to address changes to the ITB document, to release the revised price sheet and to clarify the bidding process as follows.

Lot 1 Compactor Requirements, page 4 of 41, the following clarifications should be added:

The district requests that the pricing for each compactor include the Spray Deodorizer System to eliminate odor. The Spray Deodorizer System shall include one chemical fill up. Under the options section, the district is also requesting separate pricing for the Spray Compactor Deodorizer System which may be purchased for existing compactors, and pricing for the chemicals to be used in the Spray Deodorizer System. The "Eliminodor Plus" eliminates odor and includes fragrance enhancer. The "Eliminodor Extra" also includes a fly and bug deterrent. On the price sheet please specify the make and model in which you are bidding. Product information and Material Safety Data Sheet must be included for the Deodorizer chemicals to be considered. After the bid opening all product information and Material Safety Data Sheets will be handed over to the School Districts Risk Management Department. Only those chemicals approved by Risk Management will be considered as part of this award.

Lot 2 Compactor Installation Section, page 5 of 41, shall be amended to read:

This section is provided for Responding Firms to submit Turnkey installation cost for installation and final hook-up of all electrical components, testing of equipment, including training to site personnel. If the Awarded bidder for Lot 2 Compactor Installation is different from the awarded bidder for Lot 1, the bidder must be to accept and off load the Compactor at their location, bring the Compactor to the School Site, and complete the Installation. If the Awarded bidder for Lot 2 is the same bidder for Lot 1, they would just arrange delivery directly to the school and complete installation. The Awarded bidder must be an authorized Dealer/Service/Warranty provider for delivery and installation.

The School District of Osceola County will provide the following:

- Concrete Pad with Drain.
- Water supply and hose bib. (Location must be coordinated with assigned project manager).
- Electrical Service with conduit ran from the main panel to the Safety Disconnect at the concrete pad.
- Access to Blueprints to determine compactor hopper configuration requirements along with location for electrical panel, quick disconnect, drain and hose bib.

DISTRICT-WIDE ACCREDITATION BY THE SOUTHERN ASSOCIATION OF COLLEGES AND SCHOOLS
An Equal Opportunity Agency

- Fencing around the Compactor will be completed after delivery and set-up are complete.
- Project Manager and/or Contact Person at each site for delivery coordination and setup.

Total Turnkey Installation shall include the following: (It is required that you contact the School District's Project Manager, listed on the Purchase Order to coordinate installation, and schedule training with site personnel to minimize the number of trips required).

- Electrical hook up to Safety Disconnect at the concrete pad.
- Install Guides and Stops.
- Hook-Up and program the deodorizer system.
- Check Hydraulics, Gauges and lights to ensure all are operating properly.
- Test and Operate the Compactor in the presence of the Project Manager.
- Train District Personnel on the proper usage of the Equipment.

Lot 3 Compactor Maintenance and/or Service Section, page 6 of 41 the following clarification shall be added:

If offsite repairs are required, the School District will be responsible for having the unit dumped and brought empty to the awarded bidders repair location.

1.08 Delivery Terms Section, page 7 of 41 shall be amended to read:

B. DELIVERY CHARGES

Delivery charges must be listed on the Price Sheet. Delivery will either be to the location of the awarded bidder for installation or directly to the School District location depending on weather Lot 1 and 2 are awarded to the same or different bidders. The specific location shall be listed on the purchase order.

All interested firms are asked to use the Revised Price Sheet when submitting your bid.

Acknowledgment of Addendum #1 by Vendor:

This addendum shall be completed by the Vendor and returned with the bid response. If a bid has already been submitted, this addendum must be submitted to the above address in a sealed envelope, which is marked on the outside: Addendum to Bid, Bid title and number.

This is to acknowledge receipt of this addendum, which will become part of the Bid document.
