ITB # SDOC 10-B-063 CJ Backflow Device Test, Inspect and Repair Addendum # 1

The original Invitation to Bid (ITB) documents shall remain in full force and effect, except as modified herein, and shall take precedence over any contrary provisions in the prior documents. The Bid Submittal deadline is February 24, 2010 at 2:00 PM. This addendum is being issued to provide additional information and answer questions that were addressed at the Pre-Bid Conference.

Question 1: Is it possible to get a list of the sites and quantity of backflow at each site.

Answer 1: Attached is a list of the District locations where backflows are located and their quantities.

Question 2: When were the 2009-2010 Backflow Test & Inspections performed?

Answer 2: They were started in December 2009 and still being performed. The successful bidder would begin the Test and Inspections in December 2010.

Question 3: Since the backflows that are covered by this Invitation To Bid are all domestic, what time of the day are the test and inspection performed? Are they done during normal business hours or nights and weekends?

Answer 3: The test and inspections are performed during normal business hours; therefore it is not necessary to submit an overtime rate with this bid.
