RFQ # SDOC 10-Q-070 CJ-FPC

Construction Manager at Risk for Core Facility Renovations at Thacker Avenue Elementary Addendum # 2

The original Request for Qualifications (RFQ) documents shall remain in full force and effect, except as modified herein, and shall take precedence over any contrary provisions in the prior documents. The Request for Qualifications **new** Submittal deadline is **March 25, 2010 at 2:00 PM**.

On March 16, 2010 the Board approved new language for Tab 3 on page 6, Item #1 on page 14 and the Affidavit of Eligibility found on page 35 of the original RFQ. On page 6, Tab 3, Business Location, on page 14, Item #1, Business Location and the Affidavit of Eligibility page 35 of the original RFQ shall be deleted in its entirety. This document, pages 2-11 replaces pages 4-16 of the original RFQ.

The number of selection committee members has increased therefore we are requiring two (2) additional RFQ submittals. On page 3 of the original RFQ, Submittal Requirements, change to read: Firms interested in providing the required professional services shall submit one (1) original, marked "ORIGINAL", **nine (9)** each marked "COPY", and two (2) COMPLETE electronic copies on two separate CD's in PDF format, of the requested qualification data for evaluations

If you should have any questions regarding this addendum, please do not hesitate to contact Cheryl M. Jessee, the Purchasing Agent responsible for this project at jesseec@osceola.k12.fl.us or by phone at 407-870-4627.

Sincerely,

Cheryl L. Olson, CPPO, C.P.M., CPM, FCCN

QUALIFICATION PACKAGE GUIDELINES

1. To facilitate analysis of its qualifications package, the Respondent shall prepare its qualifications package in accordance with the instructions outlined in this section. If the Respondent's qualifications package deviates from these instructions, such qualifications package may, in the School District's sole discretion, be rejected.
2. The School District emphasizes that the Respondent concentrate on accuracy, completeness, and clarity of content.
3. Cross Referencing - To the greatest extent possible, each section shall be written on a stand-alone basis so that its contents may be evaluated with a minimum of cross-referencing to other sections of the qualifications package. Information required for evaluation of qualifications, which is not found in its designated section, will be assumed to have been omitted from the qualifications package.
4. Glossary of Abbreviations and Acronyms - Each section shall contain a glossary of all abbreviations and acronyms used, with an explanation for each. If no abbreviations and/or acronyms are used, then a glossary is not required.
5. Page Size and Format - Page size shall be 8.5 x 11 inches, not including foldouts. Pages shall be single-spaced. The text size shall be 11 point or larger. Use at least one (1) inch margins on the top and bottom and three-quarter (3/4) inch side margins. Pages shall be numbered sequentially by section.
6. Legible tables, charts, graphs and figures shall be used wherever practical to depict organizations, systems and layouts, implementation schedules, plans, etc. These displays shall be uncomplicated, legible and shall not exceed eleven (11) by seventeen (17) inches in size. Foldout pages shall fold entirely within the section, and count as a single page. Foldout pages may only be used for large tables, charts, graphs, diagrams and schematics; and not for pages of text.
7. Binding and Labeling - All sections of the qualifications package should be spiral bound, with section tabs, which shall permit the qualifications package to lie flat when opened. Staples shall not be used.

QUALIFICATION PACKAGE GUIDELINES - TABBED SECTIONS

GENERAL REQUIREMENTS

Qualification Packages will be scored using Adjectival Rating times a weighted value. Adjectival Rating; Unsatisfactory (0), Marginal (1), Satisfactory (2), Good (3) and Excellent (4).

Tab 1 Letter of Introduction and Table of Contents (non-scored)

A brief profile of the Firm, including a brief history of the company, location, project team location, corporate structure, ownership interest, and the length of company's existence shall be provided addressed in a letter to the Director of Purchasing, not to exceed 3 single-sided pages maximum.

Tab 2 Insurance and Miscellaneous Forms (non-scored)

Attach evidence of required insurance coverage or proof of insurability in the amounts indicated. If available, a properly completed ACORD Form is preferable. Final forms must contain the correct solicitation and/or project number and School District of Osceola County contact person.

Firms that have owner/operators that have filed a "Notice of Election to be Exempt" shall submit a copy with the proposal.

Incorporated and unincorporated Firms that qualify for an exemption under the Florida Worker's Compensation law in Chapter 440 Florida Statutes shall submit an executed waiver relieving the School District of liability in the event they are injured while providing goods and/or services to the School District.

Prohibition Against Contingent Fees Statement and Certificate of Debarment Form - See forms included in this package.

Each professional service contract entered into, shall include a prohibition against contingent fees as follows: "The Firm warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Firm to solicit or secure this agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or Firm, other than a bona fide employee working solely for any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this agreement." For the breach or violation of this provision, the School Board shall have the right to terminate the agreement without liability and, at its discretion, to deduct from the Contract price, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

Conflict of Interest Disclosure Form - See form included in this package.

All Respondents shall properly complete, have notarized and attach with their proposal the attached notarized disclosure statement of any potential conflict of interest that the Respondent may have due to ownership, other clients, contracts or interests associated with this project.

Confidential Materials

Confidential materials shall be submitted in this section – any materials that qualify as "trade secrets" shall be segregated, clearly labeled and accompanied by an executed Non Disclosure Agreement for Confidential Materials.

Respondents shall describe their scheduling methods, approach and plan for implementing Construction Management Services, and program for construction quality assurance and schedule adherence.

For three of the projects listed under **Qualification Data**, Respondents shall draw parallels between these projects and the listed project in the following areas:

1. Describe the way in which your Firm developed and maintained project schedules. Include specific examples of scheduling challenges, and how your Firm helped solve them. Submit an example of a project schedule.
2. Describe the types of records, reports, monitoring systems and information management systems, which your Firm used in the management of each project. Provide examples of each report used.
3. Describe the way your Firm maintained quality control during the preconstruction and construction phases. Provide specific examples of how these techniques were used.
4. Describe specific Construction Management services you have provided and how they helped your client in terms of cost, quality, schedule, safety, etc.

Tab 9 Scheduling and Cost Control (weighted value of 10 points)

The Firm's scheduling system and cost control system should be described. Methods for assuring subcontractors adherence to schedule should be highlighted. A comparison of the Firms' project profile should indicate their ability to hold to original schedules and budgets. Provide narrative responses to the following questions and statements:

1. Describe your use of computer-generated schedules for the management of construction.
2. Describe the details of your construction scheduling throughout the process of the project.

3. Describe your process of managing shop drawings.
4. Describe your process of coordinating the development of schedule information from subcontractors?
5. Describe your process with the management of crew loading and coordinating construction scheduling with adequate resources.
6. Describe your process with the cost loading of schedules.
7. Attach a sample schedule which best illustrates your overall scheduling capabilities.
8. Describe your experience with a contract where your construction scheduling required coordination with another major contractor hired by the owner on the same site.

Tab 10 Organization Chart/Proposed Team/Resumes (weighted value of 20 points)

Provide a detailed organization chart describing your proposed organizational structure for this project, indicating key personnel and their relationship to this project and other team members. It should be understood that it is the intent of the School District to insist that staff indicated as the Project Team in this RFQ response actually execute the project.

If a joint venture, or prime subcontractor arrangement of two (or more) firms, the Respondent must indicate how the work shall be distributed between the associated firms. Describe how the organizational structure will ensure orderly communications, distribution of information, effective coordination of activities and accountability.

The Firm(s) should name the actual staff to be assigned to this project, describe their ability and experience, and portray the function of each within their organization and their proposed role on this project. Provide brief resumes of key personnel to be assigned to this project. Respondents shall provide resumes for all professional staff (name, address, phone number, and e-mail address) assigned to the project including job skills, education, training and experience. Replies must include current AIA A305 form with information on all professional level personnel who would be assigned to the Project. Proposed project staff should be present for oral presentations and/or interview. List the following information for all Office Staff and On Site Staff:

1. Name and title
2. Job assignment for other projects
3. Percentage of time to be assigned full time to this project

15. Safety

Tab 11 References (weighted value of 5 points)

Provide a minimum of three (3) reference letters from owner representatives for projects that your Firm has provided / is providing professional services which are similar in scope to this RFQ. Reference letters shall be current, dated within one (1) year of this solicitation. The reference from the owner representative must be provided on their letterhead, and include details regarding your Firm's role, level of service provided, and how cost competitive your Firm was when negotiating cost proposals. Letters from School District of Osceola County staff shall not be considered.

Tab 12 Draft Contract, Miscellaneous Information and Addenda (non-scored)

(Revised) All exceptions to the attached draft contract must be included in this section. If exceptions to the contract are not included in the submittal, it will be the School District's understanding that your Firm will accept the contract as presented in this RFQ. The Draft Contract has been modified to reflect the Local Business Participation Program #1, Board Approved on March 16, 2010. The changes will hold the Construction Manager responsible for following the proposed local business local business bid strategy delineated in the selection process, maximizing the utilization of local businesses, submitting the required reports to document this utilization, and providing justification when not utilizing local businesses.

District's Project Management System - The School Board has recently completed negotiations with e-Builder, Inc. to provide a web-based Project Management Software Solution for the Facilities Division. The Facilities Division will leverage e-Builder to allow all project team members to centrally manage all construction and renovation projects by centralizing and streamlining the management and retention of all construction project documents and communications that are necessary to track project data. The e-Builder Project Management Solution will streamline a broad range of business processes to mitigate delays and provide District Leadership and the School Board real time visibility into the status of all projects using the system's integrated reporting engine and executive dashboards. For more information on this solution, please visit www.e-builder.net. Please submit a statement indicating your firm's ability and commitment to utilizing this project management software solution and/or any concerns or issues that would prevent your firm from using the software.

Miscellaneous Information/Local Involvement - Respondents may submit any additional information that may be beneficial for consideration in the selection process. Representative samples of related work may be submitted at the Respondent's option. Provide supporting documentation if your firm is a certified minority business enterprise as defined by the Florida Small and Minority Business Assistance Act. List any and all examples of other local involvement or support of the School District of Osceola County, Florida, undertaken by the Firm and its employees in the past twelve (12) calendar months from the date of issuance of this RFQ. Examples of such involvement or support may include, but are not limited to, participation in the Academy of Construction Technology (ACT) program or Teacher Free Store (Gift for Teaching).

Addenda Acknowledged - Please sign and return any and all Addenda in this section. It is the Respondents responsibility to check the School District's Website at www.osceola.k12.fl.us/depts/purchasing/index.asp for any additional Addenda.

SELECTION PROCESS

1. The Selection Committee will review all proposals received on time and score the proposals in accordance with the criteria listed in this RFQ. In addition to the materials provided in the written responses to this RFQ, the School District may request additional material, information, references, interviews or presentations from the Respondent(s) submitting qualifications packages. The District may decide to conduct interviews instead of having formal presentations with selected Firms, should it be required or warranted. Pursuant to F.S. 287.055, for the services to be performed under this resulting contract, the School District shall evaluate current statements of qualifications and performance data on file with the School District, together with those that may be submitted by other Firms regarding the services to be performed under this resulting contract, and shall conduct discussions with, and may require public presentations by, no fewer than three (3) Firms regarding their qualifications, approach to providing the services, and ability to furnish the required services. Discussions may be held between the Selection Committee and the Firms selected for interview based upon data submitted by each Firm. Firms will be notified in writing as to whether or not they have been selected for an interview or oral presentation.
2. The School District, at its sole discretion, may ask any Respondent to make an oral presentation and/or demonstration without charge to the School District. The School District reserves the right to require any Respondent to demonstrate to the satisfaction of the School District that the Respondent has the fiscal and technical ability to furnish the service(s) or product(s) as proposed. The demonstration must satisfy the School District, and the School District shall be the sole judge of compliance.
3. The School District reserves the right to conduct discussions with any Respondent(s) who has (have) a realistic possibility of Contract award.
4. Respondents are cautioned not to assume that they will be asked to make a presentation and should include all pertinent and required information in their original qualifications package.
5. Following the interviews the Respondents will be evaluated, based on their submission, references, and presentation. A final ranking of Respondents will be determined based on their interview or presentation.
6. Once the Selection Committee has ratified the final rankings, the School Board shall engage, or authorize one or more persons to engage, the highest ranked Finalist, or Designated Finalist, in negotiations for purposes of executing a Contract. In doing so, the School Board or its designee shall determine and negotiate compensation that is fair, competitive, and reasonable for the services to be supplied.

7. Should the School Board or its designee be unable to negotiate a satisfactory Contract with the highest ranked Finalist, or Designated Finalist, at a price the School Board or its designee determines to be fair, competitive and reasonable, the School Board or its designee shall formally terminate negotiations and then undertake negotiations with the next highest ranked Finalist, or Designated Finalist. Failing accord with the second most qualified Firm, the School Board or its designee shall formally terminate negotiations with such Firm and then undertake negotiations with the next highest ranked Finalist.

**REVISED GUIDELINES – INFORMAL INTERVIEWS/ORAL PRESENTATIONS
EVALUATION FOR SHORT LISTED FIRMS:**

If the Selection Committee requires oral presentations, each Firm will be notified of the schedule for the formal presentation, questions and answers, and setup and breakdown. Informal Interviews/Oral Presentations will be scored using Adjectival Rating times a weighted value. Adjectival Rating; Unsatisfactory (0), Marginal (1), Satisfactory (2), Good (3) and Excellent (4). The weighted values may be revised by the Selection Committee at the Short List meeting.

Interview agendas will be entirely at the discretion of the prospective Firm with an emphasis delineating why/how your Firm's strength/performance on three (3) similar projects positively impacted the success of the project with regards to the following subjects:

1. **Qualifications of Prospective Firms to Provide Required Services- (weighted value 20)**
Relevant experience in related experience for K12 public and private school capital facility programs that have contracted with the prospective Respondent directly or that the prospective Respondent has worked on through a sub-contract in the last five years. Provide contact name, address, phone number and fax number.

The Firm must demonstrate a positive relationship with prior clients on similar projects.

The Respondent shall submit written recommendations from previous owners and discuss their strategy to provide a positive working relationship with the School District of Osceola County. This strategy must include actual examples of how the Respondent has demonstrated their cooperation with other owners. The School District of Osceola County reserves the option of contacting any of the references provided to confirm information provided.

School District of Osceola County staff will provide input on a Firm's past work performance and information from District Project Managers if available.

2. **Overall Approach and Methodology – Elaborate on Tab 3A & 3B, your Firm's Strategy to Utilize Local Businesses (weighted value 20)**

The Respondents should demonstrate verbally and/or graphically, their plan for performing the required services, documenting the services to be provided and showing the interrelationship of all parties.

Respondents shall describe site specific logistical challenges that may be inherent to the location and layout of the site to include specific topographical and geotechnical issues, if any. Respondents should also provide detail on their recommendations for any possible improvements to the site layout, building design, and possible environmental and logistical issues, (if any).

Respondents shall demonstrate how specific experiences on similar past projects, related to budget management, change order management, communication/information management, and problem solving techniques has prepared their team to better manage budget, schedule, and quality specific to this project.

Respondents shall elaborate on your Firm's utilization and strategy for Local Business Participation.

Respondents shall be prepared to answer detailed questions to the specific examples utilized.

**Addendum #2 SDOC 10-Q-070 CJ-FPC
Construction Manager at Risk for Core Facility Renovations at Thacker Avenue Elementary**

3. Experience and Qualifications of Personnel (weighted value 20)

The Respondent shall express the general and specific project related experience and capability of in-house staff and sub-consultants and their functions as it relates to this RFQ.

The Respondent(s) should name the actual staff to be assigned to this project, describe their ability and experience, and portray the function of each within their organization and their proposed role on this project. Proposed project staff should be present for oral presentations and/or interview.

If a joint venture, or prime subcontractor arrangement of two (or more) firms, the Respondent must indicate how the work shall be distributed between the associated firms. Describe how the organizational structure will ensure orderly communications, distribution of information, effective coordination of activities and accountability.

4. Project Scheduling (weighted value 20)

As a part of the project approach, the Respondent's should propose a scheduling methodology for effectively managing and executing the work within the optimum timeframe. The Respondents should indicate their procedure for scheduling and for compliance controls. The Respondents should describe any representative current projects and the projected, versus the actual, schedule of each. The Respondent's response must address the feasibility of its firm to complete their tasks as they may relate to keeping the project on schedule within the timeframe defined herein.

5. Knowledge of the State Requirement for Educational Facilities (SREF) and Typical School District Procedures (weighted value 10)

The Respondents should demonstrate their knowledge of SREF, local codes and ordinances, and an understanding of how school districts operate in the State of Florida. Firm's should discuss the details of specific projects where the firm was responsible for Florida Building Code and SREF inspections, plans review and experience level of assigned personnel who may fulfill this requirement.

6. Cost Control/Value Engineering (weighted value 10)

As part of its services, the Respondents should indicate knowledge and experience in the evaluation of building systems, construction techniques and the recommendations of materials to create an optimum value in meeting the design requirements.

7. Financial Strength and Bonding Capability (Pass/Fail)

The Respondent's financial capability is to be expressed in the financial statement (audited financial information current within the past twelve months, such as a balance sheet and statement of operations, and bonding capacity if required), and should indicate the resources and the necessary working capital to assure financial stability through the completion of the project. A certified audit is preferred, but a third party prepared financial statement and the latest D&B report will be accepted. **The statement can be labeled Confidential.** The financial capability shall also include the bonding capacity of the Firm if the applicant anticipates an "At Risk" contract or if your fees exceed \$200,000.00 per project. The Firm shall be required to hold a 100% Performance and 100% Payment Bond on the basis of the Guaranteed Maximum Price furnished pursuant to Section 255.05 F.S. for the project.
