

Committee Notes:

The Evaluation Committee* met March 13, at 2:30 PM to review and evaluate the responses to this Request For Qualifications (RFQ) for Vending Machine Services. After review of the two (2) responses received, it was concluded that only one was “responsive”, and that was the one from Snack Time Vending, Inc. The Committee felt that J-MAR Services did not submit the required information to evaluate the firm’s qualifications.

The Committee’s decision was to recommend that the Board award the solicitation to Snack Time Vending, Inc. This recommendation will be presented to the Board Tuesday, March 18, 2008.
