A note from nurse sarah

please note a few key reminders-

-injuries

if your student was injured outside of school, please contact nurse sarah with updates.

-medications

parents must deliver all medications to the nurse in the clinic. this includes epi pens, inhalers, and over the counter medications, etc.

-going home

students may only go home "sick" through the nurse's clinic. if a student contacts a parent to go home "sick" without going through the clinic, the absence will be unexcused.
