HOW CAN I GET INVOLVED?

Parent and family engagement in education is the key to student success.

Neptune Middle School developed this Parent and Family Engagement Plan (PFEP) in order to provide parents with the information that is required by the Every Student Succeeds Act (ESSA). This information is designed to provide better communication between parents and the school. We want to ensure that parents of all students, as well as teachers, community members, and administration are informed and become involved in this plan.

If you would like to view the Parent and Family Engagement Plan (PFEP) and the School Improvement Plan (SIP) in their entirety, then you may request a copy from the school's front office or you may view them on the school's website at npms.osceolaschools.net.
