Mission Statement:

Our number one priority is student achievement with high expectations being the responsibility of our entire school community.

Home of the Black Bears

Date: March 31, 2025

Dear NCMS Parents/Guardians:

It is the fourth quarter, and with that comes the final preparations for testing, as well as end-of-year events. It is incredible to realize that we are almost at the end of this year. The third quarter was filled with many celebrations, such as having a top-ten Teacher of the Year finalist (Mrs. McKeown), our girls' Basketball team winning the championship, our band and chorus groups being highly successful at MPAs, our Cheerleaders becoming 4th year in a row Champions, placing 2nd in the middle/K8 math competition, and Ms. Hawkins winning the Secondary Art Teacher of the Year award. As we put the finishing touches on the different reviews for the FAST and EOCs, we must ensure that we treat every day with a sense of urgency. Everyday matters, which is why attendance is so important for success. We need students at school every day, all day so that they can be ready for the FAST PM3 and the EOCs. Additionally, we are excited for Gradventure, the 8th Grade Awards ceremony and dance, PM3 FAST Carnival, as well as the different concerts and athletic events remaining. It has been a fantastic year at NCMS, and we want to finish strong!

Sincerely,

Dr. Francisco Rivera Mieles
