

The AVID Advantage

The AVID elective is all about career and college exploration and preparation!

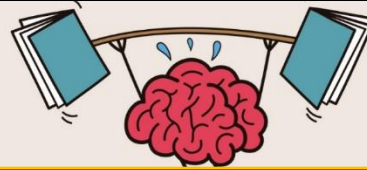

In class, you'll learn the tricks to doing well in school.

- Expert note taking
- Organization with a binder and planner
- Problem solving with weekly tutoring
- Advocating for yourself

The fun parts?

- Community building activities
- Field trips to colleges
- Support that helps you be successful in and out of the classroom
- Guest speakers from different careers and college experiences

Is AVID for me? Do you want to...

- Challenge yourself?
- Be prepared for college and/or career?
- Have academic support for your challenging courses?
- Develop strong relationships with teachers and your peers?

If you said "yes" to any of these questions, then AVID may be for you!
