

OHS ACADEMY OF HOSPITALITY & TOURISM

About us

We offer 4 levels of project-based learning utilizing multiple national curriculums along with role play, case studies and hands on practice in our own student run banquet room. Our academy is part of the Central Florida NAF Advisory Board and work with many prominent leaders in the industry.

INTRODUCTION TO HOSPITALITY

Plan a trip, learn about all of the sectors of hospitality, gain employability skills, start understanding departments in lodging and customer service skills

HOSPITALITY TECHNOLOGY

Earn your HTM Certification by learning all about management in various aspects of the industry. Analyze a local company's customer service & offer solutions

HOSPITALITY MARKETING

Write a Marketing plan for a local business after creating a new target market. Earn your ServSafe Manager Food Handling Certification. Apply for internships/employment opportunities.

ENTREPRENEURSHIP

Develop and create your own Hospitality start up idea. Work through entire written business plan and be prepared to offer a pitch to local business leaders. Assist with running of banquet room, plan and execute school based job fair.
