A VARIETY OF ATHLETIC TEAMS AND CLUBS AVAILABLE

The research is clear. Students who participate in extra curricular activities at school have higher GPA's than their peers and are generally happier at school. Neptune Middle School has a variety of students athletic teams, clubs, and organizations for students to enjoy. We are constantly looking to add even more clubs to match the interests of our growing student body. Whether it's track and field or robotics, we have the group for you. Many of the teams and clubs at NPMS have been recognized for the outstanding work of the student participants involved.

Neptune Middle School is filled with a community of dedicated teachers who work collaboratively and share the vision of all students achieving at high levels. We offer academic courses that cater to student's needs, from remediation to high school credit. Here at NPMS. the entire staff is committed to educating students to become productive, responsible citizens.

CHALLENGING COURSE WORK

A THRIVING ARTS COMMUNITY

The fine arts program at Neptune Middle School is exceptional! Students at NPMS can choose to take classes in Theatre, Visual Arts, Chorus, and Band. The classes in each progression, challenges the student to take creative risks while developing their skill. Our dedicated fine arts team have created a program that has become a huge part of our community.
