Dear Parent or Guardian,

Every Student Succeeds Act of 2015 (ESSA) requires that any school in receipt of Title I Funds must inform parents if their child is assigned a teacher for four or more consecutive weeks who has not yet met state certification/licensure requirements at the grade level and/or subject area in which the teacher has been assigned.

At this time, your student's teacher, Ms. Garcia, has a state teaching certificate/license, such as a Temporary Teacher Certificate or Professional Certificate in a different grade and/or subject area than the one she is currently teaching.

The District is assisting Ms. Garcia to obtain certification in the subject area/grade level that she is currently teaching and we have full confidence in her ability to teach effectively in this assignment during the school year.

If you have any questions regarding Ms. Garcia's qualifications, please feel free to contact me.

Sincerely,
