

SUMMER DEVICE INFO

Your student's device is a valuable resource that they will use next school year. Taking care of this device is of utmost importance. Therefore, we ask that you as a parent or guardian help to monitor your students' usage and care of the device.

**PLEASE
READ**

WHAT IF I MOVE?

If you are moving schools, even within the district, your device must be returned to the school it originally came from.

Contact the school
for more info
(407) 891 - 3200

DAMAGED OR LOST?

If your device is damaged or lost during the summer, report the issue to your school's tech as soon as possible.

HOW TO TAKE CARE OF YOUR DEVICE

- Chargers have been distributed and will be sent home with the student devices. Students are responsible for these chargers as the school only has one per device.
- Your device should be in its protective case at all time. Devices not in protective cases will not be covered under warranty.

FORGOT YOUR PASSWORD?

Call the Help Desk!
(407) 870 - 4000

OTHER ISSUES?

Your school tech will have summer hours to help troubleshoot issues. You can expect a response within 3 business days.
