August 10, 2021

Dear Parent/Guardian:

It's back to school time! Soon our students will be renewing old friendships and making new ones, getting back into their school routines, and continuing their path to success as a Horizon Eagle. If your child is new to our school, I would like to welcome you and I look forward to your family being a part of our school community. As students return, we will overcome challenges together as all students adjust to full time face to face instruction. As the principal of your child's school, all I ask is that we continue to work together with high expectations for student learning.

At Horizon Middle School, we continue to build on being a safe and orderly school committed to collaboration. Our established routines and procedures help our eagles to SOAR. In 2021-2022, we will continue to educate the hearts and minds of our students with a focus of all students learning at high levels.

Our staff is here to help you with anything you might need to optimize the learning experience for your child during the 2021-2022 school year. Please be sure to visit our school website to find information about the district uniform policy, school supply lists, hours, and more. Be sure to follow Horizon Middle School on Instagram, Facebook, and Twitter. I look forward to seeing everyone soon. Remember, we are in this together.

Sincerely,

Michael Ballone  
Principal  
Horizon Middle School
