Student Interest Survey Incoming Grade 8

Middle School is a time when students can explore and expand their interest. In order to help each student have an awareness and appreciation for the world around us, we offer classes to different grade level so that each student can explore a variety of educational opportunities during the school day before entering high school. At this time, we plan to offer the following opportunities for the 2019-20 school year: **Please be aware that many courses are full year and understand that if you have a full year course it may be considered as your PE waiver, if necessary. There may be financial responsibilities associated with some courses for uniforms or supplies. Please see the reverse side of this form for additional course information. Please place a #1, 2, 3 beside your top three interests (#1 is your top interest area). Core classes will be scheduled first and are based upon FSA scores.**

Yes or No (circle one) --- I am interested in applying for AVID - (application & interview required) - 17001350
