IB Philosophy

- **Rising Seniors – HL year 2**
 - Research 3 philosophers of your choosing (from a list Ms. York provided) to learn from them about their concepts and what areas of Being Human they would fit into. Students will take notes in their journals they provided at the beginning of the year, and this will be due August 19th when we return with some reflection. I am also encouraging them to listen to the “Philosophize This” podcast.
