Course Commitment: I have carefully selected my courses based on graduation, college entrance, Bright Futures, and CTE Pathway requirements. Course requests determine the school's schedule, faculty, and room assignments; therefore, changes must be submitted by April 30, 2025. After this date, changes will depend on space availability during our July schedule change event. The Superintendent's expectation is there will be no schedule changes after this date. Please note, school administration may assign AP courses based on AP potential and prior achievement levels. I understand and accept this commitment.
