Welcome back to another wonderful school year at New Beginnings. As we all know, there has been a lot of uncertainty as to what school would look like for 2020-2021. Now that things are more settled and there is a better understanding of student/parent options, let me thank you for your ongoing support and commitment to providing the best education possible for Every Child, Every Chance, Every Day. We want everyone to feel safe and valued during these unprecedented time. New Beginnings has an amazing staff that is dedicated and grounded in ensuring your child has the best tools and opportunities to be successful while receiving a high quality education. Our teachers continue to improve goals for academic success focused on high expectations for student learning and growth at every academic and social level. Of course, this achievement would not be possible without the support of our amazing parents. I value open communication between school and home. Please do not hesitate to contact us if/when the need arises; we will do likewise. The Student Handbook is a valuable source of information about dress code, behavior expectations, student safety and general information. We believe that we can challenge each student to reach even greater heights of achievement by supporting and inspiring all learners to reach their highest potential as responsible, productive citizens. Again, with the assistance of Instructional and Professional Support Staff, Students, Parents, Stakeholders and the community, I know this school 2020-2021 year will be productive and filled with many accomplishments. I welcome you to another wonderful year at New Beginnings!

IMPORTANT NEWS & THANK YOU...
