

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 888-326-7240.

For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary> or call 1-866-487-2365 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	SDOC Center for Employee Health (aka "Health Center"): no deductible applies; Tier 1/Tier 2 Evolutions Provider: \$500 per plan participant, \$1,000 per family unit. Deductible starts over each OCTOBER 1 .	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. Covered services incurred at the Health Center , services for which a Member Advocacy recommendation is in place, Emergency Room, and Tier 1/Tier 2 Evolutions Provider: dependent child PCP <u>preventive care</u> , outpatient/office rehab, <u>urgent care</u> , dependent child PCP office visits, <u>specialty</u> physician office visits (requires referral), and diagnostic labs are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and <u>services</u> even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific <u>services</u> .
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	SDOC Center for Employee Health (aka "Health Center"): a maximum out-of-pocket amount does not apply; Tier 1/Tier 2 Evolutions Provider: \$4,000 per plan participant, \$8,000 per family unit. The <u>out-of-pocket limit</u> starts over each OCTOBER 1 .	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered <u>services</u> . If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Pre-certification penalties, <u>prescription drug</u> DAW penalties & discounts/coupons, <u>premiums</u> , <u>balance-billing</u> charges (unless <u>balance-billing</u> is prohibited), non-covered services, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See https://etrx.ehsppo.com/ETRXMemberPortal.aspx?EmployerID=32820 or call <i>Member Advocacy</i> at 844-297-0747, for a list of Tier 1 or Tier 2 (<i>preferred</i>) <u>providers</u> .	This <u>plan</u> offers Health Center services at No Cost; you will pay discounted expenses if you use an Evolutions provider and a <i>Health Center referral may be required</i> . You will pay all expenses if you use any other <u>provider</u> (except for Emergency Room/Ambulance services) and you might receive a bill for ancillary <u>provider services</u> (such as anesthesia or lab work). Check with your <u>provider</u> before you get <u>services</u> .

Important Questions	Answers	Why This Matters:
Do you need a referral to see a specialist?	Yes.	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> <i>outside of the Health Center</i> for covered <u>services</u> , but only if you have a <u>referral</u> before you see the <u>specialist</u> .

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
